

AGENCY ENDOWMENT FUND

Sustains a nonprofit organization

Nonprofit organizations have the option to establish an Agency Endowment Fund through the Foundation that will provide a permanent funding source. When nonprofits invest through the PACF, they gain services that might not otherwise be available to them. The PACF handles all investment management and the administrative responsibilities related to the endowment, so that staff and volunteers can concentrate on fulfilling the organization's mission.

How it works

- We assist in the development of a fund agreement, which establishes the fund, the purpose of the fund and the name of the fund.
- Your organization make a gift to the Parkersburg Area Community Foundation — you can give cash, appreciated stocks, real estate, or other assets.
- Your gift will be placed into permanent endowment, meaning it will benefit your organization forever. We invest your gift so it grows and maximizes your resources.
- We handle all the administrative details and provide your organization with quarterly fund statements.
- Once the fund has reached endowment, it will continue to be invested over time. Earnings are used to make distributions to your organization to help you continue to serve your mission in our community.
- You can encourage your supporters to donate to the fund to support your organization's long-term goals. Donors receive tax benefits in the year their gifts are made.

Looking to the future

The Doddridge County Park offers something for everyone at its site of nearly 250 acres of land and many amenities. With many features and multiple acres to maintain, the Doddridge County Parks and Recreation Commission took a proactive step to secure its financial future by establishing a permanent charitable fund with the PACF's Doddridge County affiliate.

The **Friends of Doddridge County Parks and Recreation Commission Endowment Fund** will make an annual distribution to the Doddridge County Parks and Recreation Commission to help preserve and maintain the park.

“This permanent support fund enables us to focus our attention on providing an excellent venue for recreational and educational opportunities for visitors,” said Greg Cottrill, Director of the Doddridge County Parks and Recreation Commission.
